

ENGLISH PLACEMENT GUIDE

EFFECTIVE FOR SUMMER/FALL 2019 ENROLLMENT

Because students may place into their English courses using a number of measures, we recommend using the [English Placement Flowchart](#) when working with individual students. This document is best used for general information and comparison of multiple measures.

- ACT, SAT and GED test scores and HS GPA do not expire.
- The [writing sample and survey](#) is an option for students who:
 - Graduated from high school 3+ years ago OR
 - Have a high school GPA of at least 3.0
- The measure that achieves the highest placement for the student will be used.
- If a student cannot be placed using another measure, the writing sample and survey will be used to determine placement.
- Students who have not yet graduated from high school are not eligible to be placed using the writing sample and survey.
