# FAFSA just got an upgrade

Say hello to the new,  
user-friendly 2024-25 FAFSA

Connect with NMC.

## You're not alone on this journey.

Our expert team is ready to assist you with any questions about the FAFSA.

NMC is here to help everyone in our service area with applying for aid, understanding types of aid, and understanding the cost of college. You may have heard that the Free Application for Federal Student Aid (FAFSA) is undergoing a major change. Overall, it will be easier to complete, but there are some new features that we can help you through.

It is expected to open by December 31, 2023.  
We are gearing up to be your FAFSA resource early in 2024!
