

NMC will be the resource of choice for higher education, lifelong learning and cultural experiences. NMC will be an essential contributor to quality of life and a vibrant economy. We will demonstrate collaborative and inventive approaches to education and training for liberal studies, careers, interests and emerging learner markets.

*Initially adopted by the Northwestern Michigan College Board of Trustees November 23, 1998
Replaces C-100.00, adopted May 24, 1993
Revised March 26, 2007*
