

## **CHILD DEVELOPMENT**

### **Certificate of Achievement (Level II)**

*19.0706 NMC Code 002*

This program is designed to be a building block program. By adding certain classes, a student may complete the requirements for an associate's degree and students may transfer to a college or university to complete a bachelor's degree. Students may also elect to stay in Traverse City and transfer to the University Center.

The following classes are approved by the National Child Development Associates (CDA). They meet the required hours in the various functional areas. A chart showing the breakdown of hours is available in the Social Sciences Academic Area office.

Students are encouraged to work closely with the Child Development coordinator to complete this certificate. A 2.0 GPA must be maintained to receive the certificate and 20 of the 36 credits must be earned at NMC.

#### **Credits**

##### **Certificate Requirements 34-36**
