Photo Release Policy

By registering for this event, you grant permission to NMC, its agents and staff to use video and photographs of yourself for NMC promotional/advertising materials, including social media, without charge. No consideration is involved for their use. If you do not want NMC to use video and photographs of yourself, contact foundation@nmc.edu.

Golf Scramble Rules, for both courses:

- All four team members tee off on each hole. The team decides which tee shot it likes best and marks that position.
- Balls from other three tee shots are picked up. Each team member then places their ball within 1 club length of the marker but no closer to the hole and takes their next shot.
- This procedure is followed on every shot for the remainder of the hole, including putts. However, when the chosen shot is marked on the green, players must take their shot from that marked position.
- The first ball to go in the hole is counted for the team score. Double bogey is the maximum team score.
- If the ball the team chooses to play is in a hazard, in the rough or out of bounds, you cannot drop the ball outside of the hazard or rough even if relief is within one club length.
- There is no required number of tee shots to be used per player.
