OTHER RECOGNITION OPTIONS

Transformational philanthropic gifts that impact program operations may be matched with meaningful recognition opportunities including, recognition in names of program areas, departments, or campus spaces. Donors may be offered the opportunity of recognition in new or existing physical spaces.

Recognition will be determined by staff in consultation with the donors on a case by case basis commensurate with gift amount and area of interest. Specific conditions and terms regarding naming rights will be detailed in a letter of agreement between the donor and the NMC Foundation.

Some recognition opportunities may require board approval.
