Preparing for Registration

Please complete the below items, print and bring this form with you to your appointment.
Thank you.

1. Go online and find your degree program here: <https://www.nmc.edu/programs/index.html>
Review your program of study and write down any questions you have regarding the program or the classes required.

2. Find the model schedule and/or program requirements for your program and print. This should list the courses required for your program of study. Cross off or record those courses you have already taken or are taking this semester.

3. Will you be working or applying for a job for spring semester? YES NO

I will be working for

4. Find the schedule of classes for next semester either through your NMC Self-Service menu or here: https://banweb.nmc.edu/nmcp/bwckschd.p_disp_dyn_sched
5. Write down the courses you wish to take in the space below.

CRN	Course Name (example: MTH111)	Days/Time (ex. MW 1-3pm)	Number of Credits

****Total minimum credits allowed: 12, only 3 credits may be online courses.***
