FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level.

Please be advised that the financial aid staff can not release specific information about a student's financial aid without a signed release on file from the student. For more information of NMC's FERPA policy or a consent form, please see <http://www.nmc.edu/ferpa>.

PAYMENT

To ensure proper payment, all financial aid resources are reviewed either (1) after the first 2 weeks of regular session classes, or (2) at the time of disbursement, if your aid is processed later in the semester. Your financial aid will be based on the number of credit hours for which you are enrolled at the time of payment. At NMC, this process is called "Freeze Aid". Most initial awards are based on full-time attendance (12+ credits). Awards are normally made in two equal disbursements Fall Semester and Spring Semester.

Important: Generally your awards will be credited to your student account; however, you must be attending classes to receive your financial aid. Your aid will be adjusted accordingly if your instructor reports you as "Failed to Attend" which means the instructor has informed our office that you never attended class.

If the posted awards exceed your direct costs (tuition, fees, and on-campus housing), you can charge your books in the bookstore beginning three weeks prior to the start of the semester through the Freeze Aid date for regular session classes. If your aid is processed by the Freeze Aid date, and you are due a refund, your refund will be processed approximately two weeks after the Freeze Aid date. Direct Deposit to your bank account can be set up through NMC's Self-Service at www.nmc.edu/selfservice.

FEDERAL PELL GRANT (PELL)

Your actual PELL Grant award will be based on the number of credit hours for which you are enrolled and/or attending at the time of **disbursement**.

Effective July 1, 2012, Pell Grants are limited to the equivalent of 12 full-time semesters. If you have received over 12 semesters of (full-time equivalent) Pell Grant during your educational endeavors, you will no longer be eligible for these funds. To determine the amount of lifetime Pell you have received, visit www.nsls.ed.gov.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)

How much aid you receive depends on your financial need, the amount of other aid you receive, and the availability of funds at NMC. Unlike the Federal Pell Grant Program, which provides funds to every eligible student, the FSEOG program provides a certain amount of funds for each participating school to administer each year. When the money for the program is gone, no more awards can be made from that program for that year.

STUDENT EMPLOYMENT

Federal Work-Study (FWS) provides part-time jobs for students with financial need, allowing them to earn money to help pay educational expenses. The program encourages community service work and work related to the recipient's course of study. Student Employment is not need-based and does not count toward your financial aid resources. Thus, if you are not eligible for FWS because your "need" has been met, you may still be eligible for other employment opportunities.

Student employment opportunities are available online at www.nmc.edu/hr.

Please note that your actual work-study award will vary based on the number of hours allocated to each position. Hours vary generally from 10 to 20 hours per week during the semester.

Eligibility for student employment at NMC requires that you be accepted and registered as a degree-seeking student at NMC and meet satisfactory academic progress eligibility requirements as established in the NMC Satisfactory Academic Progress Policy for Financial Aid.
