CORRECTIVE MEASURES: Please describe the steps you will take to insure your Satisfactory Academic Progress (SAP) at NMC.

- Submit this form to the NMC Student Financial Services Office.
- The Committee will notify you of their decision via your NMC email account.
- Federal financial aid from NMC can only pay for those credits needed to complete your NMC program of study, not those classes taken only for transfer to another institution or credits not required to complete your NMC degree.
  - **If you are seeking a degree from another institution, ask us about the opportunity to participate in a consortium agreement.**
- You may check your GPA and completion rate through your NMC Self-Service account located under Financial Aid, Eligibility, and Satisfactory Academic Progress (SAP). In addition you may track your progress toward your degree by using My Academic Plan (MAP) on your MyNMC page. Please contact your academic advisor if you need assistance with your academic plan.
- If the appeal is approved, you MUST follow the Academic Plan for Financial Aid and all other conditions to maintain future eligibility. All Academic Plans for Financial Aid require 100% completion (this means you cannot fail, drop, audit, or stop attending a class after the 100% refund date).
- Academic Advisors are available to provide you with guidance toward meeting your degree requirements.
- Federal student loans may be prorated based on the number of credits remaining to complete your NMC degree.
- If the appeal is denied you will be responsible for paying tuition and/or fees or officially withdrawing from your classes before the refund deadline.
- The Committee's decision is final.
