Students must have MTA certification from Northwestern Michigan College for agreement to be valid. Students should work with their community college transfer counselor to verify MTA requirements. \*Courses included in MTA.

Note: Completion of the 124-hour program will satisfy the State of Michigan requirements to sit for the CPA exam.

Note: Students requiring 150 credit hours to meet State CPA licensing requirements may work with an advisor to select 22 additional hours which could be in the form of minors, double majors or other relevant courses. An articulated advanced business degree may also be an option.
