

MUSIC

Northwestern
Michigan College

... ASSOCIATE IN SCIENCE AND ARTS DEGREE

Take the same freshman and sophomore-level music courses available at any four-year institution.

MUSIC

Complete the first two years of music-major coursework in NMC's creative and supportive environment. You'll receive individualized instruction from dynamic faculty in classes designed for your success.

You'll take applied (private) lessons on your main instrument/voice, perform as a member of one of NMC's several performance ensembles and take courses that will prepare you for transfer to a four-year music institution.

You can also enroll in NMC's Audio Technology program. Audio Technology prepares you for a career in music production, computer music and sound recording.

COURSES INCLUDE

- Music Theory
- Sight Singing and Ear Training
- Class piano
- Ensembles
- Private instruction in strings, winds, brass, percussion, guitar, piano, and voice
- Dance coursework also available

CAREERS IN MUSIC

- Music directors and composers
- Musicians and singers
- Music education
- Musical instrument repairers and tuners
- Music therapists
- Music business
- Instrument making and repair
- Music publishing
- Music communications
- Recording industry
