

Nursing

Northwestern Michigan College

**Boundless
MOMENTUM.**

Find Your Passion.

Northwestern Michigan College, in beautiful Traverse City, combines outstanding training and strong partnerships to launch your nursing career and take it to the next level.

Your Pathway to a successful career.

NMC's dynamic Associate Degree in Nursing program opens the doors to your fulfilling career as a Registered Nurse. The program is fully accredited by the Accreditation Commission for Education in Nursing (ACEN), ensuring the highest standards of education and professional development.

- Nursing, Associate Degree (ADN)
- Nursing, Practical (PN)
- LPN to ADN completion option
- ADN to BSN in partnership with Davenport University

ALL CLASSES

are held on NMC's campus. Clinicals are held locally, including at Munson Medical Center—a longstanding partnership with the 442-bed teaching hospital and Level II trauma center, the only one in northern Michigan.

“

Our instructors are awesome.

Many are nurse practitioners with decades of experience, and they genuinely want us to succeed.

- Sophie Pierre-Louis
NMC Nursing student

Change lives.

ASSOCIATE DEGREE IN NURSING (ADN)

Start your journey in nursing.

Become a Registered Nurse and make a real difference in the lives of others.

NMC's Associate Degree in Nursing (ADN) program provides a focused path to your nursing career in just two years, followed by successful completion of the NCLEX-RN exam.

FAST-TRACK YOUR CAREER

Complete your prerequisites, then apply to our competitive two-year ADN program.

GAIN HANDS-ON EXPERIENCE

Develop your skills through clinical rotations in state-of-the-art labs and real health care settings.

“ If you want job security,

nursing is where it's at.
You can go anywhere—travel
nursing, ER, ICU, flight nursing, nurse
anesthetists, nurse practitioners—so
many paths to choose from.

- Kyle Neal,
NMC Nursing student

Nursing is the nation's largest health care profession.

Jobs are expected to grow by

9% annually through 2030

“

I love this program!

Our simulation lab is amazing. It lets us practice skills in a safe environment before applying them in real-world clinicals.

- Meghan Perkette, NMC Nursing student
