2200 Dendrin Drive (off Cass Rd.) in TC

.....

■ **JUNE 22 TO AUG 17**  
**Complete nine flexible lessons**

## What is GRASP?

GRASP is an at-home program that helps students (Grades K-8) stay on top of math and language skills over the summer. The Language Arts program includes reading, spelling, grammar and phonics. The Math program includes basic math functions, fractions, percents, graphs, geometry and much more. Whether home for the summer or on the road, the convenient lessons go with you. NMC is proud to offer this popular and proven program since 1985.

## How It Works

GRASP consists of nine fun, easy-to-use lessons. Complete one lesson a week and mail it to the teachers who review, score and mail it back to you. **GRASP is intended to be a review of your child's current grade (K-8) completed this June; however some students will work below grade level, and some above.**

## Parent Start-Up Session

Please attend one important evening meeting (choose May 29 or 30) to get essential information that enhances your child's learning experience. You'll meet the teachers, see how the program works, and pick up all materials.

NMC Extended Educational Services  
**NMC.EDU/KIDS**  
231.995.1700

## Stay Connected

Karen & Mandy are in NMC's Extended Education office on Wednesdays in the summer, available to talk with parents and students.

## TEACHERS

**Mandy LaBarre**  
**Reading Consultant**  
M.A., 12+ years with TCAPS. Her passion for reading inspires her current role as a 2nd grade teacher at Eastern Elementary.

**Karen Nelson**  
**Math Consultant**  
M.A., 24+ years with TCAPS, DX endorsement. She is a 4th grade teacher at Eastern Elementary and was awarded first place in Red Hot Best Teacher.

# Enhance your child's readiness over the summer

Questions? Call 231-995-1700  
or email ees@nmc.edu

## CERTIFICATES & MEDALS

Each child who successfully completes all nine lessons receives a certificate of completion.

Score 70% or better on all 9 lessons to receive a GRASP medal!

## Cost and Financial Assistance

This 9-week program is \$85 for one subject, or \$135 for a child taking both subjects. This includes all materials, stamps and envelopes. Financial assistance is available; those meeting low-income requirements pay half price; call (231) 995-1700 to receive an application.
