

# GREAT LAKES WATER STUDIES INSTITUTE GLWSI

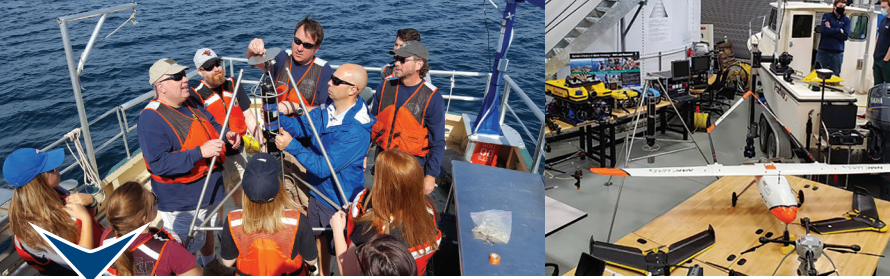

BACHELOR OF SCIENCE DEGREE, ASSOCIATE DEGREES  
& PROFESSIONAL DEVELOPMENT

**The first & only bachelor of  
science degree in Marine Technology**  
On Lake Michigan in the heart of Traverse City, MI

## YOUR PATHWAY to a successful career.

### ▼▼▼▼ MARINE TECHNOLOGY

#### NMC OFFERS:

THE FIRST AND ONLY BACHELOR OF SCIENCE DEGREE  
IN MARINE TECHNOLOGY

AAS IN MARINE TECHNOLOGY

NMC's Marine Technology program bridges the gap between education and industry. The bachelor's degree is the only one of its kind in the world and most graduates get multiple job offers. You'll learn marine-related technical competencies along with project management skills necessary to work on-shore and off-shore.

### ▼▼▼▼ WATER QUALITY & ENVIRONMENTAL TECHNOLOGY

#### NMC OFFERS:

ASSOCIATE IN APPLIED SCIENCE, WATER QUALITY  
AND ENVIRONMENTAL TECHNOLOGY

The Water Quality and Environmental Technology program is designed to train the growing workforce needed to restore and remediate environmentally-compromised sites, focused on groundwater across the state of Michigan, throughout the Great Lakes and the United States.

### ▼▼▼▼ FRESHWATER STUDIES

#### NMC OFFERS:

ASSOCIATE IN SCIENCE AND ARTS DEGREE –  
FRESHWATER STUDIES

NMC's Freshwater Studies degree was the first associate degree in Freshwater Studies in the U.S. when created in 2009. This transfer degree offers multiple opportunities for bachelor's degree completion.

### ▼▼▼▼ MARINE CENTER

#### NMC OFFERS:

PROFESSIONAL DEVELOPMENT PLATFORM

Comprehensive geospatial applications training solutions for industries such as marine technology, hydrographic surveying and remote sensing.

Located at the Great Lakes campus on Lake Michigan, the Great Lakes Water Studies Institute (GLWSI) at Northwestern Michigan College is strategically positioned to engage individuals and organizations, both locally and globally, in advancing skills, knowledge and understanding of the world's dynamic water resources.

Indoor training facility at NMC.
