Mission
The mission of the Office of Residence Life is to ensure that residential students make significant contributions to the campus community while participating in activities and programs that will help develop socially, academically and professionally grounded individuals to be leaders not only in the classroom but outside the classroom respectively.

Vision
The Office of Residence Life strives to create an environment whereby students ACHIEVE their personal and professional goals while residing in a residential facility that is conducive to the educational process at NMC.

Residence Hall Staff
The residence hall staff is committed to providing the best possible living experience for all residents. East Hall has 4 to 6 Resident Assistants (RA) who reside on each floor and are trained to answer questions, get you in touch with College resources, and help resolve everyday conflict.

In addition, East Hall has one live-in professional, the Associate Dean of Campus and Residence Life. The Residence Hall Manager in coordination with the Associate Dean of Campus and Residence Life is responsible for all judicial affairs relating to East Hall. The Residence Life Office also has an Office Manager. This person is responsible for residence hall admissions, contracts, keys, custodial and maintenance issues. The Office of Residence Life also known as the Housing Office is located in East Hall and is open Monday-Friday, 8:00 a.m.-5:00 p.m.

Your Contract

Terms and Conditions of Occupancy
The housing contract contains the guidelines for residence hall living and should answer any question that you might have concerning occupancy, room assignment, and payment. You will be emailed a copy for your records. Please read it so you are familiar with the terms and conditions of the housing contract, as each resident will be held accountable for all the information it contains.

Residence Hall Community Member Responsibilities
In carrying out responsibilities as a student and a residence hall community member, it is essential that residents become familiar with, responsible for, and abide by the Northwestern Michigan College (NMC) Student Rights and Responsibilities, as well as the Residence Hall Handbook. By signing your Residence Hall Contract, you have agreed to make yourself aware of and abide by all residence hall policies and expectations, NMC Student Rights and Responsibilities and all city, state and federal laws. All of these policies and procedures are expected to be upheld when NMC is sponsoring residents at locations other than East Hall.

Anyone violating the NMC Student Rights and Responsibilities, Residence Hall Handbook, and/or abusing the facilities is subject to disciplinary actions, prosecution, and replacement fees as deemed appropriate by college officials. Residents may also be subject to disciplinary action due to the misconduct of their guests. Not every behavioral expectation can be specified in a rule or regulation: you will be expected to use common sense, courtesy and judgment. Use of alcoholic beverages and controlled substances will not be accepted as an excuse for inappropriate behavior. Personal wireless routers are not permitted in residential facilities, as they interfere with the wireless network.
**Student ID’s**
Each residence hall community member will be issued a student ID at check-in. Students are required to carry their ID at all times. You are required to show your ID when entering the residence hall and must have it with you in order to access your funds on your ID card. If you lose your ID, go to the Security Office in the Timothy J. Nelson Innovation Center And get a replacement ID. The charge for a replacement ID is $10.00 and will be deducted from your deposit.

**Lost Key/Locked Out**
Your security is an important concern. You should keep your room locked and carry your key and student ID with you at all times. If you lose your key, please notify the Office of Residence Life right away. The lock will be changed and you, the student, will be held financially responsible for replacement of the lock and new keys. The cost of a lock change is approximately $25 and will be deducted from your room deposit.

If you lock your keys in your room an R.A. or Residence Life employee may assist you. After the third time, your door is unlocked by a staff person, you will be required to pay $5.00 for each subsequent request, which will be deducted from your room deposit.

**In Your Room**
Your room is furnished with beds, mattresses, desks, desk chairs, blinds, wardrobe/dresser units, ceiling lights, and a micro-fridge. The furniture in your room is your responsibility, and trading furniture with other rooms or storing furniture outside the room is not allowed. Public area furniture is for the use of all residents and therefore should not be placed in individual student rooms. If public area furniture is found in a student’s room, that student will be charged the labor costs for staff to move it back into place. You are not allowed to place any items outside of your unit.

Please do not bring the following items: Microwave, mini-fridge, Nu-Wave Oven, any item with a heating or cooling element, George Foreman grills, hot plates/pots, toasters, toaster ovens, and candles with a wick, candle warmers, pizza makers, halogen lamps, waterbeds, other water-filled furniture and camping grills. Anything with an open heat element is not permitted (except a curling iron or a clothing iron, which must have an auto shut off feature). No burning of incense.

**Entering Room**
In the interest of maintaining a healthy and safe environment in the residence hall, the college reserves the right to make periodic administrative inspections of a residence hall room at any time.

The college also reserves the right to inspect a particular resident’s room when staff has reasonable cause to believe that established health or safety regulations are being violated, that there is a threat to the safety or well-being of the room occupants or other residents, or that the occupants of the room are violating a policy of NMC. If staff should enter a room and notice a violation of federal, state, or local laws, the staff member may seize the evidence and contact a local law enforcement agency, Associate Dean of Campus and Residence Life or Dean of Students, NMC security and/or other college officials.

Between semesters and during academic breaks, residence hall rooms are exclusively the property of NMC even though residents plan to return to the same room following the break period. During these periods the college reserves the right to inspect, maintain, make repairs, conduct safety check, and/or replace damaged or obsolete furniture.
**Decorations and Personalizing Your Space**

You are encouraged to personalize your space and make it your home. However, there are some rules to bear in mind. Nothing is to be painted, even with tempera paint. No live evergreens are allowed in student’s rooms. Holiday lights may not be wrapped around live plants and must be unplugged when you are out of the room. Use of nails, tape, putty, glue, contact paper or any adhesive materials that may cause damage are prohibited.

You must return your room to its original condition at check-in, when you check out. Failure to do so will result in a deduction from the housing deposit. Make sure that you make detailed notes on your Room Inventory Sheet that is given to you at check-in.

Students are not allowed to use alcohol bottles, cans, boxes, steins, signs, or shot glasses as room decorations. If this occurs, it will be considered an alcohol violation. Also, you are not allowed to place any items outside of your unit in the hallway, ie., pumpkins, boxes, welcome mats, etc.

**Maintenance**

Reporting Emergencies – life-threatening maintenance problems involving plumbing, electrical or heating should be reported immediately to the Residence Life Office Monday-Friday, 8:00 a.m.-5:00 p.m. After hours, weekends, or holidays contact Supervisor on Call at 231-995-1916, Resident Assistant on Duty 231-995-2096, or NMC Security 231-883-9099.

Reporting Routine Problems – Routine maintenance needs (those necessary to keep the room in good repair) should be reported to the Residence Life Service Desk. Service requests are prioritized according to the seriousness of the problem and the date received. Damages that are not normal wear and tear to the room are subject to be paid for through the resident’s room deposit.

**Room Repairs**

You are responsible for the proper care and use of the items in your room and the community facilities. All replacements and repairs will be made by the college maintenance personnel. Maintenance repairs resulting from carelessness or negligence will be made at the expense of the responsible resident. Charges will be taken out of the security deposit or applied as an additional charge if needed.

**Room Assignments and Room Changes**

Roommate requests will be honored if possible. These requests must be verified in the resident hall portal under the tab Roommate/Suitemate Groups by creating a roommate group with those wanting to room together. With such a large number of new students in the residence hall, we try to honor all requests, but at times this may not be possible. The responsibility for arranging resident-initiated changes rests with the resident requesting the change. Room changes must be approved by the Office of Residence Life before the move is made and will be honored from the third week to the seventh week of each semester. Any room changes after the eighth week of the semester will be executed by the Office of Residence Life.

**Roommate/Suitemate Relationships**

An important part of college is learning to get along with others and developing an awareness of and appreciation for other lifestyles and values. One of the first opportunities you will have to establish close relationships with others and learn about living in a community will be when you move into your room! Positive roommate relations begin with you! You need to be willing to make an honest attempt to get to know your new roommate. The information below is designed to assist you in building a positive relationship with your roommate.
First Step - during the first couple of days, sit down with your roommate, begin getting to know each other and complete the Roommate Agreement. Establishing ground rules concerning your new home will help keep problems from occurring. Your RA will assist you in putting together a Roommate and Suitemate Agreement. This written agreement will be kept for future reference in the office of the Residence Hall Manager.

Even if you have been friends before coming to school, it’s important to know each other as roommates. Here are some initial conversation starters:

Where are you from? What was it like growing up there?

Why did you decide to come to NMC?

What do you hope to do with that?

What are you looking forward to here at NMC? Is there anything you’re nervous about?

What will you miss most about home while you’re here at NMC? What will you miss least?

Remember you don’t want to delve into anything too personal right away. The little things are important to talk about. Despite all your efforts, the road will be rocky at times. Living in the same room doesn’t mean you must do everything together, or that you will necessarily be best-friends. You must develop the ability to communicate and adapt to each other’s lifestyle.

**Visitors and Overnight Guests**

**ALL** guests entering must have a picture ID (even young children) and be registered at the East Hall Service Desk. The IDs of the guest and host must be left at the Service Desk. The guest must be escorted at all times in all areas of the building by the resident who signed them in. Guests under the age of 18 must be approved by the Residence Hall Manager or Office of Residence Life professional staff member.

Residents of East Hall are allowed to host overnight guests Thursday through Saturday. A guest is considered an overnight guest if they are checked in at the service desk between 1:00 A.M and 8:00 A.M. From Sunday through Wednesday guests must be checked-out before 1:00 A.M. A guest can only stay two weekends out of a month. A resident may lose visitation privileges if any part of the guest policy is violated. An overnight guest can only stay 10 (ten) nights per semester in East Hall.

The living area of the residence hall room is open to guests during the stated visitor hours agreed by members of the suite at the beginning of each semester and the hours presented by the Office of Residence Life. The lobby areas and basement are also open and is permissible to meet there at any time.

As the host, you will assume financial and behavioral responsibility for your guests. Guests may stay free of charge (does not include food) with the approval of roommates and suitemates. Violation of this policy may result in fines and the guest being banned from the residence hall or only allowed in the hall on a restricted basis. East Hall residents that are removed from housing due to judicial sanctions are prohibited from visiting any NMC Housing residential facility.

**Bathrooms**

Since all of our bathroom facilities are single-sex by suite, students must respect fellow residents by always having guests of the opposite sex use the guest bathrooms located in the lobby.
Windows and Screens
Residents are not permitted to throw or pass any materials (including liquids) in or out of windows, nor are they permitted to enter/exit a room through the window. Removal of screens is not allowed. Residents suspected of violating this policy may be fined, have to complete community service, and/or be moved to another room. Additional charges for repair and replacement of windows and/or screens may be assessed.

Move-In and Break Period Information
Summer 2024: North Hall is the only building available. Dining will not be open. Move-in is Friday, May 10, 2024. If you will not be showing up on that date, a separate day and time will have to be set up with a Residence Hall Staff member. All summer residents must be moved out by Thursday, August 8, 2024.

Academic Year 2023/2024: The housing fee allows the resident to occupy their room from the beginning of each semester until the end of their final examination, except during Thanksgiving Break and Spring Break. East Hall residents are allowed to stay during Thanksgiving Break and Spring Break under a separate contract (with stipulations) at an additional cost. No cafeteria service will be available. Fall semester move-in dates range from 8/25/23 to 8/27/23. Specific date will be emailed once room assignments have been determined. All East Hall residents need to leave for semester break by Friday, 12/15/23. Personal belongings may be left in the student’s room during all breaks. Spring semester move-in is Sunday, 1/14/24 unless an earlier move in date is approved by the Associate Dean of Campus Life. All students must be moved out by 5/4/23. East Hall will be CLOSED without accommodations between semesters. No EAST HALL resident is allowed to stay from December 15, 2023 – January 13, 2024 unless given special approval by the Associate Dean of Campus Life.

Abandoned Property
If a student stops attending classes in the middle of the semester, and/or abandons their property, the property will be donated after 30 days of abandonment. Any items left at the end of the spring semester will be donated immediately. The Office of Residence Life does not provide room to store personal property.

Quiet and Courtesy Hours
You will share close quarters with many people in the residence hall. Consideration with regard to noise is vital to maintaining the quality of your environment. Noise created by an individual or group greatly affects other members of the community. Quiet hours are between 11:00 p.m. and 8:00 a.m., 7 days a week. **Courtesy hours are always in effect.** If you encounter a noise problem during academic quiet hours or courtesy hours, you have the right and responsibility to let the offenders know their activity is disruptive. Respect and courtesy for others are an essential part of living in a community. Respect for others’ rights is a necessary condition for successful studying, living, and sleeping. If a disturbance persists, notify a Resident Assistant immediately. The college expects you to decrease the volume of any noise disturbing other residents when asked by either residents or staff. Whenever academic quiet hours are not in effect, noise levels must be kept at a minimum, as determined by the Residence Life Staff. Blaring stereos are not permitted; the use of headphones is encouraged. Stereo speakers are not permitted on windowsills; at no time should amplified sound be directed out windows.

In addition, beginning with the Friday morning prior to finals week each academic semester, academic quiet hours are in effect 24 hours a day. Violation of this could result in your immediate removal from the hall until the conclusion of the final exam week.
**Athletic Activities in the Hallway**

For your safety and the safety of others, all athletic activities are banned inside the residence hall. This includes, but not limited to, bike riding, rollerblading/motorized equipment, and any kind of ball or skate play. A persistent violation could result in the Residence Life staff member confiscating the equipment, damage fines, and/or community service.

**Alcoholic Beverages and Illegal Substances**

The Residence Life Staff is strongly committed to fostering an environment that promotes the NMC’s educational mission. The following residence hall policies are designed to support the objectives and expectations of the NMC policy concerning drugs and alcohol.

The manufacture, use or sale of alcohol, inhalants, and (odor of prohibited drugs) are prohibited in East Hall and adjacent areas, including the athletic fields and parking lots. Alcohol containers and drug paraphernalia are also prohibited. These items will be confiscated by the Residence Life Staff when found. Non-Alcoholic beer and imitation marijuana are also prohibited in the residence hall.

The residence hall is not a haven from the law – if a local, state or federal law has been violated, then the appropriate Law Enforcement Agency will be notified. Similar guidelines apply for all campus buildings and grounds.

An offense, which also includes being present in a room where a prohibited substance is being used but not using or consuming it, will result in a meeting with the Residence Life staff member and sanctions may apply. Failure to comply with any assigned sanction(s) could result in additional sanctioning or removal from the residence hall.

**IF THE STUDENT IS REMOVED FROM THE RESIDENCE HALL FOR DISCIPLINARY PURPOSES, THEY ARE STILL FINANCIALLY RESPONSIBLE FOR ALL HOUSING, FOOD AND DAMAGE CHARGES FOR THE REMAINDER OF THE ACADEMIC YEAR.**

**Smoking/Tobacco Use and Offensive Odors**

NMC is a Tobacco Free Campus. The use of tobacco will not be permitted on college property, **must be 21 years of age or older to possess tobacco related items**. Any use of tobacco including cigarettes, cigars, electronic cigarettes, and chewing tobacco are strictly prohibited. At this time, NMC has decided not to enforce the tobacco policy inside of personal vehicles.

You will share close quarters with many people in the residence hall. Consideration with regard to penetrating odors is vital in maintaining the quality of your environment. Others may find odors created by an individual or group offensive on the floor. Items with a penetrating odor, use of incense, cigars, pipes, clove cigarettes, chewing tobacco spit containers, hookah, hookah paraphernalia, and brands with a strong odor are all prohibited in the residence hall.

**Dangerous Materials**

Many efforts have been made to make sure your residence hall room is safe and free from damage as possible. As a member of the residence hall community, you have the responsibility to assist in preventing fires. Dangerous materials and chemicals such as gunpowder, laboratory chemicals, acid, fireworks, gasoline, lighter fluid, and other combustibles are not permitted. Any item with an open element is not permitted, hot plates, hot pots, electric skillets. Motorcycles and other fuel-driven engines may not be placed anywhere inside halls. Natural cut trees, branches, leaves, or greens, other than potted plants are prohibited in student rooms. Firearms, knives and other weapons are also not allowed, this includes paintball guns, airsoft guns, and pellets. Items that look like weapons are not allowed.
Pet Policy
For health and safety reasons, no pets, other than non-carnivorous fish (10 gallon total tank max.) per residential room, are allowed. No pets, even visiting, are allowed in the residence hall. Service animals are allowed with proper documentation. If you are found to be in possession of an animal, it must be removed from the campus within 24 hours of discovery. If the animal is not removed within 24 hours, charges will be issued. Additional charges may be assessed for cleaning. All questions concerning permission to have pets should be referred to the Office of Residence Life.

Get Involved!

Residence Hall Council
This is your chance to help decide and plan activities in the hall. The Residence Hall Activity Fee supplements this organization. The Council plans community service projects and social events. Anyone living in the residence hall can join.

Living by Leading and Learning Community
Living by Leading and Live by Learning are two communities that residents of both East and North Halls are able to attend. One community will be living by leadership. The purpose of this community is to create tomorrow’s leaders today. The residents will have the opportunity to participate in leadership workshops, activities, and go to conferences across the country! The second part of the community will be the Living by Learning Community. The purpose of this community is to build lifelong learners. This community will be given extra academic success tools through the means of programming. There will be many workshops throughout the year for students to learn more about being a lifelong learner.

Campus Safety
To report criminal actions, emergencies, or suspicious situations, call the following:

NMC security will be staffed from 12:00 a.m.-8:00 a.m. at the East Hall service desk area. NMC security will be checking ID’s, signing in guests and performing bag checks.

Your Rights and Responsibilities
Violence of any kind will not be tolerated at NMC. This includes alcohol/drug infractions, verbal/physical abuse, threats, and intimidation. All violations will be filed as violations of the Student Rights and Responsibilities. Violations may result in removal from the East Hall and/or probation, suspension or expulsion from NMC.

It is the policy of Northwestern Michigan College, consistent with its efforts to foster an environment of respect for the dignity and worth of all members of the College community, that sexual harassment of students and employees is unacceptable conduct which will not be tolerated. Inquiries regarding the appellate process may be directed to the Student Life Office- Dean of Students Office/ Associate Dean of Campus and Residence Life.
The college recognizes the student’s right as an adult member of society. The college respects and gives consideration to the constitutionally guaranteed freedoms of speech, assembly, and association. The college further recognizes the students’ rights within the institution to the freedom of inquiry and to the reasonable use of services and facilities of the college which are intended for his/her education.

It shall be the policy of Northwestern Michigan College to maintain appropriate student records in an accurate, secure and confidential manner. The college complies with the “Family Rights and Privacy Act”.

**Fires**

If the fire alarm sounds, all students must take immediate steps to evacuate their suite. Follow the instructions of the Residence Life Staff, fire-fighting personnel and evacuation map located on backside of your front door in your room.

Keep the following things in mind in the event of a fire emergency:

1. Walk, don’t run. Be particularly careful on stairways.
2. Proceed directly to a place of safety (each floor has a pre-determined meeting place outside of the building). Do not attempt to salvage personal articles. They are not worth the risk.
3. Close doors and windows when you leave. **If possible, wear shoes and a coat.**
4. Before opening a closed door, feel to see if it is hot. If the door is hot, attempt to find another exit route.
5. A towel or robe soaked in water can be helpful in combating smoke inhalation.
6. At all times, follow the instructions of authorized personnel to take charge at the scene of the emergency.
7. If you have any questions about these procedures, contact a member of the Office of Residence Life immediately.

**Fire doors**

The fire doors at the ends of the hallways are equipped with fire alarms and are locked 24 hours a day. These doors are for the security of the building and residents. Exiting through these doors is equivalent to sounding a false alarm. The sounding of a false fire alarm (which includes shouting “Fire” in the halls) or tampering with fire safety equipment is considered a misdemeanor in the State of Michigan. Doorways at the end of each hallway are fire doors and should not be propped open. Also, placing any objects (trash, boxes, bikes, etc.) in the stairwells constitutes a fire evacuation hazard. Any student found guilty or suspected of having been involved in such incidents will be sanctioned in accordance with Northwestern Michigan College’s Student Rights and Responsibilities and reported to the proper civil authorities.

**Tornado and High Winds**

1. Walk, don’t run.
2. Proceed directly to your hallway, closing your door behind you.
3. Move to the interior of your hallway, away from any windows and sit covering your head.
4. Do not leave until the all clear is given.
5. If you have any questions about these procedures, contact a member of the Office of Residence Life immediately.

Evacuation and emergency procedures for each building will be discussed during your first week in the residence hall. These procedures are important for your own personal safety and that of other residents. Fire drills will occur on a regular basis. Failure to evacuate during the sounding of any alarm could result in a fine, hours of community service or removal from the residence hall.
Services Information

Service Desk
The East Hall Service Desk is open 7 days a week/24 hours a day. This is where residents can pick up toilet paper, garbage bags and packages/mail. East Hall residents need to show their ID and register their guests with a photo ID (even young children) at this location.

Food Service
There are basic rules that apply to the NMC Cafeteria, “No Shirt, No Shoes, and No Service”. Good taste in dress and appropriate demeanor are always expected. No swimsuits are to be worn in the cafeteria. You are expected to bus your own tray and clean your own table. Food may be eaten in the cafeteria or taken out. No trays, china or silverware are to leave the cafeteria, unless specified by the cafeteria staff. The throwing of food or other objects in the cafeteria will not be tolerated. Meal funds are loaded on your school ID. Any balance left after fall will roll over to spring. All funds must be used during the spring semester. No refunds at the end of spring semester. Cafeteria is closed in the summer.

Fitness Center
All students living in East Hall have free access to the Fitness Center located in North Hall. Work out with Universal weight machines, exercise bikes, treadmills, stair climbers, elliptical and dumbbells. Please call 231-995-1379 for hours of operation.

Cable Service
All rooms in the residence hall receive basic cable television access (over 100 digital channels) at no additional charge. All rooms are wired for cable service. Premium channels are not available. Outdoor antennas, digital cable or satellite dishes may not be used. Cable cord is not provided. Element brand televisions are not compatible with our cable service. Do not bring this brand.

Mail Service
East Hall is a designated postal center. An NMC employee picks up mail and parcels from Traverse City's local Post Office. The mail is then sorted by building and distributed each day Monday – Friday around 11AM. East Hall student employees then sort mail and place it in mailboxes. There is no mail service on Saturdays or Sundays. Outgoing mail is picked up daily at the time of drop off, around 11AM. The mail box is located in the lobby by the Housing Office under the monitor.

Packages may be picked up at the front desk with proper identification. Each resident will be issued a mail key (there is a charge of approximately $10.00 to replace this key). Packages sent by FedEx or UPS are delivered to NMC’s Facilities Building first, sorted then delivered to East Hall usually by 4PM. A note indicating a package has arrived is placed in the mailbox of the student. Your mailing address is: NMC East Hall - Room Number
1701 East Front Street
Traverse City, MI 49686

Laundry
Each wing is equipped with a laundry center. You will receive a laundry card at check-in. These laundry cards are used to purchase laundry credit. The laundry card machine to purchase credit is located next to the Service Desk. You may place money on your card in increments of $5.00, $10.00 or $20.00 or through increments of $10 purchased through a credit/debit card. The machine does not accept $1.00 bills. This system is used instead of quarters. Once credit has been
placed on the card, then the card is used to activate the machines. Do not leave your laundry card unattended. There is a $5.00 charge to replace your laundry card. A new card can be purchased by the student at the laundry card loader. The washer and dryer work best if not overloaded. When doing laundry, please be aware not to stuff the machines. The college is not responsible for loss or damage to your items.

**Garbage, Trash Removal and Cleaning of Room**

It is your responsibility to empty your trash and take it outside to the dumpster. The dumpster is in the Chestnut Parking Lot. One dumpster is for garbage and one is for clean cardboard to recycle. Letting excess garbage collect in your room is a fire hazard and encourages bug infestation. Do not let this happen because it will lead to Health and Safety Violations. Leaving garbage in the hallway may result in a fine due to the Student Rights and Responsibility Handbook. You can pick up free garbage bags at the East Hall Service Desk. It is also your responsibility to maintain a clean bathroom and living space. Failure to do so may also result in Health and Safety Violations.

**Needle Disposal**

NMC strives to protect students and staff from safety and health hazards. In order to reduce the risk of transmission of blood-borne pathogens, SHARPS containers (for the safe disposal of medicinal needles) should be obtained. If you need further information, please contact Health Services at (231) 995.1255

**Cars and Bikes on Campus**

A valid parking permit is required to park on campus. Parking passes will be distributed at check-in or can be obtained, free of charge, at the Residence Life Office. Guests of East Hall residents may obtain a temporary parking pass from the Office of Residence Life during normal business hours. Cars without a pass may be subject to fines through the city of Traverse City. The temporary pass is free of charge.

Residence hall students must park in a designated area to avoid additional fines. Parking is not allowed in fire lanes, authorized personnel spaces, Residence Life Supervisor space, or other areas not specified by your parking permit.

You may be assessed a fee if you do not remove your car from parking lots during periods of snow removal and/or scheduled maintenance. The fee is equal to the cost of having the vehicle moved by the college. You are solely responsible for any loss, theft, or damage done to your vehicle.

**For reading the handbook, if you are the first person to see Marcus Bennett in NMC Housing during the Fall 2023 semester and state the following: I have read the East Hall handbook. The first person will receive a $50.00 VISA gift card upon proof of showing a screenshot or print out of this page. Only one prize will be given to an East Hall resident for the Fall 2023/Spring 2024 academic year.** Bicycles are a popular way of getting around Traverse City. If you choose to bring a bicycle to campus you should chain your bicycle to the bike racks provided by the college. Do not chain them to stairwells, trees, corridors, signposts, or hand railings. Doing so may result in removal.

**Attending Class/Housing Eligibility**

In order to be eligible for housing, a student must be enrolled in at least 6 credits each semester. If a student fails to remain enrolled or stops attending class, the Office of Residence Life reserves the right to terminate the contract. The student, if found not to be enrolled or not attending classes, will be charged an additional $50.00 per day room rental dating back to the time of dis-enrollment or last date of class attended and will be removed from East Hall.

**Housing Notice**

Please note that by submitting the housing contract, you are committing to NMC Housing for the entire 2023/2024 academic year or be subject to a $1,782.00 penalty if you move out anytime during the year and remain enrolled in NMC
classes. The required deposit of $250.00 will NOT be refunded after (10) business days of completing the housing contract. If your housing plans change for whatever reason, please contact the Office of Residence Life in writing via email at nmchousing@nmc.edu.
