Welcome

The Office of Residence Life welcomes you to North Hall and the community within. Please take a moment to familiarize yourself with the material printed in this handbook and NMC Student Rights and Responsibilities policy as it relates to your stay in North Hall and enrollment at Northwestern Michigan College. You are responsible for all the information contained in this handbook. Please read it carefully, and if you have any questions, do not hesitate to contact the Office of Residence Life at 231-995-1400 or email us at: nmchousing@nmc.edu.

The mission of the Office of Residence Life is to ensure that residential students are engaged within their community through programs and activities that will help them develop academically, socially, and professionally.

The Office of Residence Life strives to create an environment wherein students ACHIEVE their personal and professional goals while residing in a residential facility that is conducive to the educational process at NMC. The ACHIEVE model is our programming model that the Office of Residence Life uses to create our programs.

If changes are made to this handbook, you will be notified via your NMC email address. **It is the responsibility of the residential students in North Hall to check their email on a frequent basis to be informed of policy changes, activities, events occurring on campus, or other important information.**

Abandoned Property

If a student moves out during the semester and leaves their property within their suite, it will become abandoned property. The property will be donated after 30 days of abandonment. Any items left at the end of the spring semester will be donated immediately. The Office of Residence Life does not provide room to store personal property.

Access Card

When residents of North Hall move into the building, they are issued a student ID with a sticker on it to indicate that they live in North Hall through NMC Security. This provides access into North Hall, into the cardholder's designated suite, and to the Fitness Center when it is closed to the public. If the student chooses to have a meal plan, the North Hall ID will act as a meal card, which can be used at the various dining outlets on campus.

Your student ID should never be given to another student or guest, regardless of the situation. The individual listed on the student ID is responsible for any damages that occur as a result of allowing someone to use their issued ID. **Please be sure to keep your student ID on your person at all times; if an NMC College official requests you to present your ID, you must do so, or violations as noted in the NMC's Student Rights and Responsibilities will be enforced.**

See also the section on Lost Access Cards.

Alcohol Policy

North Hall is an alcohol-free building with the exception of the first floor (Suites 120-129). Rooms located on this floor are allowed to possess alcohol in their respective unit in adherence with the following rules, regulations, and a signed alcohol permit in place, which will be distributed by the **Office of Residence Life**.

Residents who are over the age of 21 and/or under and do not reside in suites 120-129 must adhere to the following rules and expectations:

- Not allowed to host or possess any alcohol containers, paraphernalia, decorations, or posters.
- Furnish alcohol to any person(s) regardless of the person's age in the residential facility.
- Be under the influence of alcohol while in the residential unit.

Alcohol parties such as "keggers" or any pooled alcohol are strictly prohibited. The use of alcoholic beverages is not permitted anywhere in North Hall, with the exception of the allowed suites.

Irresponsible behavior while under the influence of alcohol may result in disciplinary action or legal proceedings. NMC reserves the right to confiscate any alcoholic beverages or containers improperly or illegally used.

Residents of suites 120-129 and their guests who are 21 years of age or older are permitted to possess and consume alcohol responsibly in their residential unit. Underage residents and guests are restricted from consuming alcohol. **UNDERAGE GUESTS ARE NOT TO BE PRESENT WHEN ALCOHOL IS BEING CONSUMED.** If a person under the age of 21 is found to have consumed alcohol, the Traverse City Police

Department will be contacted. Anyone serving alcohol to a person under the age of 21 may be charged with contributing to the delinquency of a minor.

Please note the following rules and regulations in regards to providing alcohol to persons under the age of 21 per the state of Michigan: **This list is not exhaustive. Please make sure to familiarize yourself with Michigan laws in reference to alcohol consumption and possession.**

- Furnishing minors and causing minor's death. **(MCL 436.1701(2))**
- Open House Party (Grand Traverse County). **(ORD 608.01)**
- Selling or furnishing alcohol to minors. **(MCL 436.1701(1))**

For information regarding NMC Student Rights and Responsibilities process, please go to the following website, which provides information about NMC policies and procedures:
<https://www.nmc.edu/about/policies/board-staff/D-602.01.html>

Consolidation and Reassignment

Student room and board charges are based on current fiscal year rates for the type of room the student is assigned to; therefore, the Office of Residence Life reserves the right to reassign students who are without a roommate. In all cases, the final determination of room assignments rests with the Office of Residence Life. Roommate requests will be honored if mutually agreed upon by both parties and if space is available. The Office of Residence Life reserves the right to change room assignments.

Contract

The North Hall contract is for the entire 2025-2026 academic year, beginning the date of Fall move-in and ending 24 hours after the applicant's spring semester's last final exam or the designated end date to leave the residential facility. The housing contract is non-transferable, which means that once an individual signs a North Hall contract, it is legally binding and cannot be transferred to another individual. Prior to moving into North Hall, the prospective resident must submit a \$250.00 housing deposit with their housing contract. **The required deposit of \$250.00 will NOT be refunded after (10) business days of completing the Housing Contract.**

Fall semester move-in dates range from 8/21/25 – 8/24/25. The specific date will be emailed once room assignments have been determined. North Hall residents are allowed to reside in the facility during all holidays, between semesters, and spring break at no extra cost. Residents planning on attending the fall semester only must move out by Friday, December 12, 2025, by 4:00 PM. If a North Hall resident moves out between 12/13/25 and the second week of the spring semester, they will be charged a nightly rate starting 12/13/25. All North Hall residents must be completely moved out by May 1, 2026, by 4:00 pm.

If a resident owes a large amount of money to the college, the resident may be asked to move out of North Hall. They will be responsible for any damages and charges associated with their stay in the facility. No resident will be allowed to move into North Hall until all financial obligations to the college have been satisfied. If you have any questions about your financial obligations to the NMC, please contact Student Enrollment Services at 231-955-1035.

NMC reserves the right to terminate a resident's housing contract if violations of the college's published policies have occurred and it is determined to be in the best interest of the student and the college that the contract be terminated. Please note that a resident's contract can be terminated for the following reasons:

- Academic suspension/not attending classes
- Administrative removal/suspension
- Conduct removal
- Non-payment

If a resident is looking to break their contract earlier than expected, they are to provide reasoning and any appropriate documentation to the Office of Residence Life. A committee will meet to determine whether or not a contract is eligible to be broken.

Please note that by submitting the contract, you are committing to NMC Housing for the entire 2025/2026 academic year, or be subject to a \$2,000.00 penalty if you move out anytime during the year and remain enrolled in NMC classes.

Courtesy Hours

All times outside of Quiet Hours are designated Courtesy Hours. During Courtesy Hours, please keep noise at a level sensitive to other residents' needs. Residents are encouraged to personally approach any resident who may be disturbing them with their noise level.

Custodial Services

NMC Custodial Services will clean all public areas in North Hall on a routine basis. It is the responsibility of the user of the public area to clean up any messes made during use. If continual abuse of the public area occurs, all members assigned to the building will be given a community fine to cover the cost for the cleaning of the public area. NMC Custodial Services cannot be contracted to clean your individualized residential unit. It is the responsibility of the occupants of the assigned units to keep their unit in a presentable manner, as stated by the Office of Residence Life.

Damage to Unit

If any damage occurs to the property assigned to the residential unit, all parties responsible will be equally charged for the damage. If the Office of Residence Life is unable to determine who is responsible for the damage, then all persons assigned to the unit will be held financially responsible for the repair or replacement of the damaged item(s).

Decorating of Your Room/Unit/Approved items

Residents may not make alterations, installations, or repairs to the premises or to the furnishings or appliances within the residential unit. Residents are not allowed to place any items outside of their unit in the hallway, i.e., pumpkins, boxes, welcome mats, hanging items from the ceiling, etc. **The following items are allowed: heated blanket with a timer and UL, crock pots, insta pots, air fryer, rice cooker, waffle iron, sandwich maker, extension cords with UL plug—no chaining, strobe, and black lights.**

Please see PROHIBITED ITEMS

Desk Hours and Operation

The North Hall Service Desk is open 7 days a week/24 hours a day, with the exception of college breaks. During college breaks, our desk will still be open, however, it will operate in a limited capacity. This is where residents can pick up packages and mail. North Hall residents must show their ID whenever they enter the building and register their guests at this location.

Displacement of Removal of College-Owned Furniture

A student may not move college-owned furniture from its designated area to another area outside of the assigned unit. College-owned furniture may not be removed from NMC premises. Common space furniture located in the lobby and lounges is not to be moved to a residential unit.

Drug Policy

The manufacture, use, sale, and scent of drugs are prohibited in North Hall and adjacent areas, including the athletic fields and parking lots. Imitation marijuana, drug paraphernalia, and similar substances are also prohibited. These items will be confiscated by the Residence Life staff when found and turned over to the Traverse City Police Department.

If a local, state, or federal law has been violated, then the appropriate law enforcement agency will be notified. Similar guidelines apply to all campus buildings and grounds. An offense, which includes being present in a room where a prohibited substance is being used but not using or consuming it, will result in a meeting with the Associate Dean of Campus and Residence Life, and sanctions may apply. Failure to comply with any assigned sanction(s) could result in additional sanctioning or removal from North Hall.

If a student is removed from North Hall for disciplinary purposes, the student will be restricted from all NMC residential facilities, in addition to still being responsible for all housing, food and damage charges for the remainder of the academic year. The student will also forfeit their housing deposit.

Electrical Equipment

All appliances and lights used in the unit must be UL approved for indoor use. Space heaters, electric burners, air conditioners, and sun lamps cannot be used in the North Hall units due to safety reasons. Residents can use toasters, popcorn poppers, George Foreman grills, and other small kitchen appliances in the kitchen area only; using these items in the bedroom and the living room areas is prohibited. All residents are required to use power strips with surge protection when plugging in more than two items into an outlet. The college is not responsible for damage done to electrical equipment as a result of power failure or surges, which is why the college encourages students to use surge protectors for electronic equipment used in their rooms.

Emergency Protocols

Please familiarize yourself with the emergency guidelines and evacuation maps posted in your residential unit and throughout the building. Below are the protocols to follow in relation to drills, fires, and extreme weather conditions in the area.

FIRES

When the fire alarm sounds, all students must take immediate steps to evacuate their suite. Follow the instructions of the Residence Life Staff, fire-fighting personnel, and the evacuation map located on the backside of your front door in your room.

Keep the following things in mind in the event of a fire emergency:

1. Walk, don't run. Be careful on stairways.
2. Proceed directly to a place of safety (parking lot of North Hall). Do not attempt to salvage personal articles.
3. Close doors and windows when you leave. **If possible, wear shoes and a coat.**
4. Before opening a closed door, feel to see if it is hot. If the door is hot, attempt to find another exit route.
5. A towel or robe soaked in water can be helpful in combating smoke inhalation.
6. At all times, follow the instructions of authorized personnel to take charge at the scene of the emergency.
7. If you have any questions about these procedures, contact a member of the Office of Residence Life immediately.

TORNADO/HIGH WINDS

1. Walk, don't run.
2. Proceed directly to your hallway, closing your door behind you.
3. Move to the interior of your hallway, away from any windows, and sit covering your head.
4. Do not leave until the all clear is given.
5. If you have any questions about these procedures, contact a member of the Office of Residence Life immediately.

The fire doors at the ends of the hallways are equipped with fire alarms and are locked 24 hours a day. These doors are for the security of the building and residents. Exiting through these doors is equivalent to sounding a false alarm. The sounding of a false fire alarm (which includes shouting "Fire" in the halls) or tampering with fire safety equipment is considered a misdemeanor in the State of Michigan.

Doorways at the end of each hallway are fire doors and should not be propped open. Also, placing any objects (trash, boxes, bikes, etc.) in the stairwells constitutes a fire evacuation hazard. Any student found guilty or suspected of having been involved in such incidents will be sanctioned in accordance with Northwestern Michigan College's Student Rights and Responsibilities and reported to the proper civil authorities.

Evacuation and emergency procedures for each building will be discussed during your first week in the residence hall. These procedures are important for your own personal safety and that of other residents. Fire drills will occur on a regular basis. Failure to evacuate during the sounding of any alarm could result in a fine, community service hours, or removal from the residence hall.

Fire Equipment

Each suite in North Hall is equipped with smoke detectors and fire suppression systems. Fire extinguishers are located in the hallways of North Hall. These units are for the safety of the occupants residing in the assigned apartment. Tampering with the fire equipment is a violation of NMC policies. **Do not tamper with the equipment at any time. If you see an issue with any of the fire equipment, please contact Campus Facilities at 231-995-1111 or Residential Life staff personnel immediately.**

Fitness Center

The NMC Fitness Center is available for use by students, staff, faculty, and approved guests of the college. Any person choosing to use the fitness equipment must sign in at the fitness desk prior to using any equipment. For questions about the Fitness Center, please call 231-995-1379.

Flammable Items

Dangerous materials and chemicals such as gunpowder, laboratory chemicals, acid, fireworks, gasoline, lighter fluid, and other combustibles are not permitted. Motorcycles and other fuel-driven engines may not be placed anywhere inside North Hall. Natural cut trees, branches, leaves, or greens, other than potted plants, are prohibited in student rooms. Firearms, knives, and other weapons are also not allowed, including paintball guns, airsoft guns, and pellets. **Items that look like weapons are not allowed.**

Garbage Disposal

All North Hall residents are to dispose of their personal trash and recyclable materials in the dumpsters located in the southeast corner outside of the North Hall building. Please make sure to properly tie your trash bags and double-bag if necessary. Students who improperly dispose of their trash in community spaces or leave the trash in the hallways will be sanctioned accordingly. This may include fines or housing probation, if it is deemed necessary. If you have any questions about trash or recyclable materials, please contact Campus Facilities at 231-995-1111.

Guest/Visitor Policy

All guests entering must be 18 years of age, have a picture ID, and be registered at the North Hall Front Desk. Guests under 18 years of age must get permission from the Office of Residence Life and complete a Minor Waiver Form 24 hours in advance before arriving on campus. **(A photo ID is required for all school-aged children). Children under 5 must be with their parents or designated guardian when in the**

residential hall. The IDs of the host's guests must be left at the front desk. The guest must be escorted at all times in all areas of the building by the resident who signed them in.

Residents of North Hall are allowed to host overnight guests Sunday through Saturday. A guest is considered an overnight guest if they are checked in at the service desk between 1:00 A.M and 8:00 A.M. A resident may lose visitation privileges if any part of the guest policy is violated. **An overnight guest can only stay 10 (ten) nights per semester in North Hall. No exceptions!!!**

The living areas of the residence hall are open to guests during the stated visitor hours agreed by members of the suite at the beginning of each semester and the hours presented by the Office of Residence Life. As the host, you will assume financial and behavioral responsibility for your guests. Guests may stay free of charge with the approval of suitemates. Violation of this policy may result in fines and the guest being banned from the residence hall or only allowed in the hall on a restricted basis. North Hall residents who are removed from housing due to judicial sanctions are prohibited from visiting any NMC Housing residential facility. North Hall does not allow visitors during the breaks, i.e., Thanksgiving, Fall, and Spring.

Harassment and Intimidation

Physical and verbal harassment, including harassment based on race, gender, ethnicity, sexual orientation, disability, religious preference, etc., will not be tolerated. Victims of harassment and /or intimidation should report it to an Office of Residential Life staff member immediately.

For further information, please see the following link about NMC Student Rights and Responsibilities policy: <https://www.nmc.edu/about/policies/board-staff/D-602.01.html>

Holiday Periods and Breaks

North Hall will be open for students during the following breaks at no additional charge: Thanksgiving break, semester break, and spring break. If a resident is found to be in violation of NMC policies during the breaks, the resident will be asked to leave and return when the break is over. **(Please note that if a resident is planning to reside for only the Fall semester, the resident must vacate at the end of the fall semester.)**

Internet

North Hall is equipped with Ethernet ports in the living room and bedrooms and has wireless routers throughout the building for internet access. All residents of North Hall are required to familiarize themselves with NMC's Computer Network Acceptable Use policy by going to the following link: <https://www.nmc.edu/about/policies/board-staff/D-506.06.html>

Failure to adhere to NMC's Computer Network Acceptable Use policy is a violation of the Student Rights and Responsibilities policy. **Personal wireless routers are not permitted in residential facilities, as they interfere with the wireless network. All wireless signals (99% really) work in the 2.4GHz or 5GHz range. That's the ones that we at the college use, as well as the router you purchase from Best Buy. The difference is, with our access points, we can control them. So maybe one of them is too weak or too strong - the system will adjust things dynamically in order to maximize speed and connectivity. But when you throw other peoples' routers in the mix, things get worse because generally these consumer-grade routers just blast out the signal as strong as possible because when you're in your home, you want it to cover every corner, right? But in our environment, it just results in a poorer wireless experience for everyone involved because not only are the rogue routers shouting wireless signals as loud as they can, ours will start shouting back, and then no one gets to be connected reliably at good speeds.**

Laundry Facilities

Laundry facilities are available for North Hall residents and are located on the 2nd and 3rd floors across from the study enclaves. The washers and dryers are owned and maintained by NMC or other affiliated NMC agencies. Additionally, it is the responsibility of every resident who uses the laundry facilities to help maintain a safe and clean physical environment.

Laundry machines are free to use. When doing laundry, please be aware not to overfill the machines. The college is not responsible for the loss or damage to your items. **Failure to adhere to the directions of the laundry machines (washer and dryer use) will result in charges to the student's NMC account for repair or replacement of the unit(s) if the machine(s) are damaged due to negligent use.**

Lockouts
