

# NMC Global Opportunities Fund

*“Serving the region by serving the world”*

| AN NMC *global* OPPORTUNITY

## Faculty/Staff Application

The Global Opportunities Fund was established by Timothy J. Nelson and Nancy Johnson in celebration of NMC’s sixtieth anniversary and President Nelson’s tenth anniversary as President of NMC.

The goal of the Fund is to provide opportunities for NMC faculty, students, and staff to:

- Engage in collaborative projects with international partners
- Exchange information, knowledge and/or technologies with countries around the world
- Enhance learning of World Languages
- Develop competencies to communicate across different cultures

### **Purpose of Fund:**

- A. NMC faculty/staff will be able to use awards to match, or, fully fund expeditions abroad that investigate and develop partnership with international colleges, universities, non-governmental organization, companies, and expand opportunities for NMC students.
- B. NMC faculty/staff will be able to use awards to complete funding to host residency projects for international experts who will teach on campus, lecture, and provide students and residents of the Grand Traverse Region with expanded opportunities to think and act globally.
- C. Faculty/Staff will be able to use awards to complete a limited number of non-course related opportunities relative to service learning or knowledge based experiences in another country.
- D. Provide a limited number of internships for visiting international students jointly with businesses in the Grand Traverse Region.
