Note:  In cases of severe weather, such as lightening, the Intramural Supervisor will determine whether or not the game will be played. Cancellations will be made at game time only. Scheduled teams should report to the field prepared to play.

Article 3  Forfeited games will not be rescheduled.

Section 2: Field Dimensions and Markings

Article 1  The field is sixty yards long and thirty-two yards wide with seven yard end zones.

Article 2  The field will be divided into three twenty-yard zones. A team will be given four downs to cross each consecutive line and earn a new set of downs. Note that the distance to go for a first down may vary depending on where the line of scrimmage is located.

Section 1: Pregame (continued)

Note: Protests regarding eligibility may be entered at any time and appropriate investigations and/or actions will be taken. However, sportsmanship dictates that eligibility questions are raised immediately and not reserved as a crutch to bring about expulsion of a superior team following a loss.

Article 2 Players will be checked for mouth guards. Those found to be missing mouth guards will not be allowed to compete.

Article 3 Each team member must be equipped with a flag belt of the same color. Shirts must be tucked beneath the flag belt so that the entire flag is visible and unimpeded from a defensive player attempting to make a legal tag.

Article 4 Each game will begin with a coin toss. The officials will designate a captain to call the toss either heads or tails. The winner of the toss will be given the first choice of options for either the first or the second half. In turn, the loser of the toss will have the first choice of options for whichever half was not chosen by the winner. Teams may choose to play either offense (receive) or defense or choose which goal to defend. Note that teams will automatically switch ends following halftime.

Section 2: Timing

Article 1 A game will consist of two twenty-minute halves.

Article 2 There will be a five-minute halftime period. Officials may shorten or omit the halftime period entirely in cases where not doing so may threaten timely completion of the game.

Article 3 Each team is allotted two one-minute time-outs per half.

Article 1 A touchdown is valued six points.

Article 2 Following a touchdown, the scoring team must choose to attempt a point-after-touchdown conversion valued either one or two points.

- Two points will be awarded for a successful attempt from the eight yard line.
- One point will be awarded to a successful attempt from the three yard line.
- The defense cannot score on a point-after-touchdown play.

Point-after-touchdown conversions may be scored by either running or passing.
Section 3: Scoring (continued)

Article 3 There are no kicking field goals or extra points.

Article 4 Two points will be awarded for a safety. A safety will not be scored on the first set of downs to begin a half or following an opponent’s touchdown. The play will instead result in a loss of down and the ball will be spotted on the one yard line for the next play.

Note: In the event a fourth-down play ends within a team’s own end zone during this first set of downs, it will be considered a turnover-on-downs and the defensive team will take over possession at the opponent’s one yard line.

Rule 3: Game Play

Section 1: Start of Play

Article 1 No kickoffs will be used.

Article 2 The ball will be put in to play at a team’s own eight yard line to begin each half and following all point-after-touchdown attempts.

Article 6 In the event a passer’s arm is moving forward in an attempt to complete a forward pass when his flag is pulled, the play will be considered alive and allowed to continue.

Section 4: Ending a Play

Article 1 A legal tag is made when a defensive player detaches a flag from the belt of the ball carrier.
Section 4: Ending a Play (continued)

Article 5 A flag-guarding infraction will be called in the event that a ball carrier uses his/her hand or arm to prevent a defensive player from making a legal tag. A flag-guarding infraction may also be called in situation where, in the opinion of the official, a ball carrier has spun for the purpose of avoiding his/her flag being pulled. A player flag-guarding will be ruled down at the spot of the infraction.

Article 7 A ball carrier flag-guarding will be ruled down at the spot of the infraction.

Section 5: Fumbles

Article 1 Fumbles are immediately dead at the spot which they contact the ground.

Article 2 Following a fumble, the ball will be spotted at the place where the fumbled ball contacted the ground with the fumbling team retaining possession provided that the fumbling team has downs remaining. Fumbles occurring before the conversion of a fourth down play will result in a change in possession.

Article 3 The offensive team may not advance the ball by means of a fumble.

Section 6: Punting

Article 1 Teams may only punt on fourth down.

Article 2 Prior to running a fourth down play, the offensive team must declare whether or not they are punting. Fake punts will not be allowed.

Rule 5: Playoffs

Section 1: Additional Playoff Procedures

Article 1  The fifth week of the season will be reserved for a single elimination tournament with seeding based upon regular season records.

Article 2  Unlike during the regular season, playoff games will use an overtime period to determine a winner in the event that the score is tied at the end of regulation play.

Article 3  The overtime formatted is as follows (used only in playoff games):

- After each team has completed its series, the team with the most points wins.
- If the score remains tied, the process is repeated with teams alternating possessions.
