

Office 365

NMC offers its students, faculty, and staff Free Microsoft Office 365 downloads, which includes Microsoft Word, Excel, PowerPoint, as well as many other classroom tools.

To claim your one year subscription to the software, Log in to your myNMC page, and click on the "IT Help Desk" menu which opens up our Tech Support menu, seen on the left side of the screen. Click on the Microsoft Office 365 link, towards the bottom.

Here you will find step-by-step instructions on how to register and download the free software for both Mac and PC.

If you have any issues registering the software, you can contact Microsoft technical support by clicking the link shown here.

These free tools are your way to jumpstart your productivity at NMC.
